**LAKE BUENA VISTA, Fla. – Aug. 1, 2019** – Two new quick service food and drink venues are coming to the Walt Disney World Swan and Dolphin Resort in the next few months. A new grab-and-go dining location serving coffee, ready-made sandwiches and snacks will debut in late summer, followed by a new frozen drink counter in the fall. Both will be located in the Swan lobby.

The new grab-and-go, Java, will feature sweet and savory breakfast options as well as sandwiches, wraps, salads and desserts throughout the day. The venue will also serve a variety of teas, espressos, frappés and coffees, including a special Nitro Brew, cold brewed with liquid nitrogen, as well as wines, beer, juices and more.

“The demand for quick food and drink options has continued to grow among our guests,” said the resort’s Director of Food and Beverage Luciano Sperduto. “Whether they’re headed to the theme parks for the day or are in and out of meetings, these two new options will give guests, delicious ways to stay energized while they’re on the go.”

The additions are among the latest food and beverage changes at the resort, following the recent redesign and new menu launch at Shula’s Steak House earlier this year, and the additions of the grab-and-go, fuel, and Phins lounge at the Dolphin in 2017.
